Warszawa 02.03.2013

REFERENCES

To whom it may concern:

With full responsibility we recommend the company

Polsped International Forwarding as a reliable and professional partner in the field of transport services.

Since cooperation orders were implemented efficiently and reliably, standards in the company fully meet our expectations.

Our cooperation included

- transport in our order
- unloading requiring specialized equipment]
- flexibility transport

The company Polsped International Forwarding provides fast information flow, so we are informed about the implementation of individual shipments on time.

Their services are provided by experienced and cultural professionals from both areas of operational and commercial - these qualities are essential in maintaining further business contacts.

Therefore, I recommend opening your company Polsped International Forwarding as a professional and reliable partner in the field of transport.

Sincerely yours,

Barbara Solarska
